## IN MEMORIAM

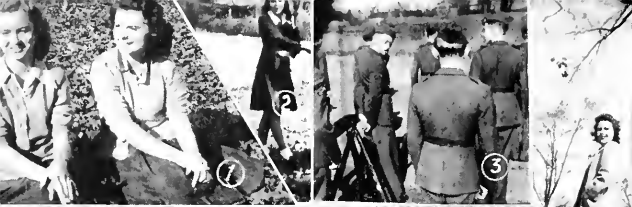

Memories of Waco Garrison, and Gloria Downs, who passed away during the school year 1943-44, will always remain in our hearts and minds. Their lives enriched the spirits of all who knew them.

We also remember with appreciation Janie Owens, the faithful maid of Athens High School.

## THEY DIED FOR US

Many Athens High School alumni have given their lives in the service of their country. They have spilt their blood in many distant corners of the earth. They died to preserve the happy, democratic principles we, at home, are still enjoying.

We pledge ourselves to live up to the ideals they fought and died for. We also pledge ourselves to fulfill our tasks at home.

Second Row: Daisy Broadhurst, Joan Martin, Betty Brewer, Jean Allgood, Mildred Martin, Helan Bowden. . . . Third Row: Harvey Cabaniss, Abit Massey, Richard Scott, M. B. Wheeler.*

The Athens High School Scholarship Society was organized at Athens High School in the school year of 1935-36. There were twenty-five seniors named by Principal E. B. Mell as the first members.

The qualifications for membership are a minimum of seventy-five percent "A's" and no mark below "B." When a student obtains this average, he automatically becomes a member.

On February 28, seventeen Seniors were named by Mr. Mell to the Scholarship Society. The first meeting of this year was held Monday, March 9. Miss Martha Anderson and Miss Bonnie Brock are serving as co-sponsors this year.

# NATIONAL HONOR SOCIETY

*First Row, left to right:* Peggy Callahan, Susan Rice, Secretary; Harvey Cabaniss, Vice-President; M. B. Membership in the National Honor Society is recognized in education circles as being the highest honor that any high school student can receive.

The Honor Society stands for outstanding achievements in the ideals of Scholarship, Character, Leadership, and Service.

To be eligible for membership students must be a member of the third or fourth year class; must have been in the school more than one year; and must rank in the upper third of his class in scholarship. The eligible students are nominated and elected by the faculty.

Scholarship alone, however, will not admit a student to the National Honor Society. Character, leadership, and service are all considered.

The purpose of the National Beta Club is to promote ideals of honesty, service, and leadership among the high school students of America. The following requirements are necessary for student membership: Superior mentality, good character, creditable achievement, and a commendable attitude.

Each member of the Beta Club realizes the honor he receives when he is invited to join the organization. In order to be chosen for membership in the Athens High School Chapter, the student must be in the upper third of his class, approved by the faculty, and elected by a three-fourths majority of the members.

The *Thumb Tack Tribune* has been the student publication since 1930. It has a circulation of 750 and is member of the G. S. P. A. The *T. T. T.* is published with the help of Miss Ruby Anderson, the faculty adviser.

The policy of the paper is to be of service to the high school, to strive always to uphold the principles of democracy and to represent the ideals of the school, to be for the instruction and enjoyment of all, and to develop the art of dealing successfully with people.

# HI-Y

Second Row: Ned Smith, Sambo Davis, Alan Finley, George Williams, Luke Smith, Jimmy Tubbs, Jimmy Hodgson. . . . Third Row: Harold Morris, Emmett Wier, J. Y. Nash, Henry Paul, Andrew Reid.*

The Hi-Y is a national organization for high school boys. Its purpose is to "create, maintain, and extend throughout the school and community the high standards of Christian character."

The local Club was organized in 1919. It is one of the oldest clubs of its type in connections with the Athens High School. Any senior, junior, or sophomore boy is eligible for membership. He makes written application for membership and after approved by the members is admitted. At present there are thirty members on roll.

For the duration of the war the Club is limited in its socials. The Hi-Y house party was not held for this reason.

# GIRL RESERVES

The Girl Reserves, a department of the Y. W. C. A., has only one qualification for membership—that the prospective member be a student of Athens High School.

The purpose of this organization is "to develop the kind of thinking, the kind of living, that will make the young girl of today a responsible Christian woman, ready and able to make America more true to its best hopes and tradition."

Highlights of the year are the Recognition Service, held annually at some local church; the Mother-Daughter Banquet, and the house party held each spring at the Y. W. C. A. Camp.

Officers for the 1943-44 term are June DeBeaugrine, president; Patricia Mell, vice-president; Jo Ann Russell, secretary, and Madge David, treasurer.

The most popular dates on the high school calendar are the two dances presented each year, one during the Christmas holidays and the other in the spring.

The members of the club are selected on the basis of character, scholarship, and leadership. The purpose of the O. W. L. Club is to promote in its members, the traits of citizenship and to develop them mentally and socially.

The Athens High eleven had a very successful season, winning 8 out of 10 games. The two losses were suffered at the hands of Griffin, 13-0, and to Decatur, 13-7.

The team was captained by Charlie Owens along with Alternate Captain Buck Bradberry.

Coach Charlie Williams, in his first year at Athens High School, proved to be one of the best coaches in its history. He is a graduate of the University of Georgia and is considered one of the best guards that it has had in the past few years.

The first team was composed of: Ends, M. B. Wheeler and Morgan Harvill; Tackles, Poss and Burch; Guards, Bailey and Parham; Center, Honea; and Backfield, Saye, Owens, Martin and Bradberry. M. B. Wheeler, who suffered a broken arm during the season, was replaced by Emmett Wier, who did a great job.

# BOYS' BASKETBALL

The Athens High basketball team of 1944 was the most talented and best all 'round team seen at the old institution in some time.

The players of the team, Owens, Bradberry, Harvill, Burch and Wheeler all turned in great performances throughout the season and won 13 of 14 regular scheduled games.

The Maroons won the North Georgia Interscholastic Conference championships for the first time since 1939. The Athens team easily defeated Druid Hills in the finals, 56 to 18.

Athens suffered a great loss to Hartwell in the 10th district tournament because they weren't quite playing up to par, but it seemed to give the boys more determination to win the N. G. I. C.

The squad showed great spirit in every contest and only through hard work did they obtain such gratifying success. The team work of these boys will always be remembered at A. H. S.

Coach L. C. Hickman can't be praised too much for his fine job of coaching and molding the team into one of the best in the state.

## GIRLS' BASKETBALL

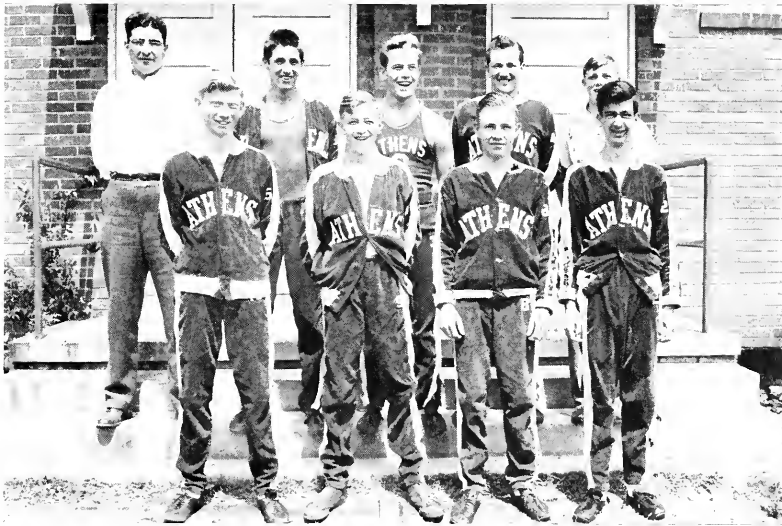

Joan Martin, Co-Captain; Peggy Callahan, Captain . . . *Sitting:* Joan Kemp, Jeanine Stone, Eva Langford, Olene Winfrey, Lorene Harris, Betty Brewer, John Burkes, Laurie Nicholson, Marjorie, Kitty Trussell. . . . *Kneeling:* Billie Wickhite, Patsy Gentry, Clara Epps, Faye Butts, Betty Joe Bridges, Joe Wickliffe.

The Maroon Lassies have had a very successful season during the past year. This was due to the undying spirit and good sportsmanship of the girls, as well as to the excellent coaching of their beloved "Miss Nick."

Miss Nicholson has been an inspiration in many hard battles. She always had a "never say die" spirit which gave the players courage to keep their chins up in spite of difficulties.

The girls worked hard all the season and deserve all the credit given them. They have fought hard; lost unflinchingly, and won smiling!

# TRACK

*First row, left to right: Almond Haelan, Robert Thomas, Ed Williamson, Earl Teat. . . . Second row: Charles Williams, Coach; George Bradberry, John Bailey, J. C. Lankford, and Alex Davis, Manager.*

The Track Team this year was coached by Charles Williams and Captained by George "Buck" Bradberry. The team was handicapped because of the lack of members, but did exceptionally well under the circumstances.

"Buck" Bradberry, three-letter man, proved his exceptionally high value to the team by capturing first place in the broad jump and 120-yard low hurdles in both the State and N. G. I. C. meets. He was the individual high scorer in both of these meets.

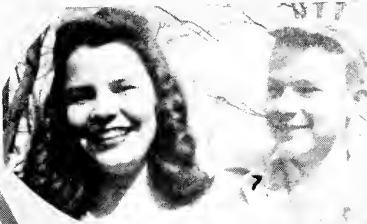

# TENNIS

*Left to right: Peggy Callahan, Billie Wickliffe, Jo Wickliffe, and Laurie Nicholson.*

The Boys' Tennis Team was composed of M. B. Wheeler, Captain; Charles Burch, Alex Davis, and Morgan Harvill. L. C. Hickman served as Boys' Coach while Miss Martha Nicholson coached the Girls' Team composed of the Wickliffe twins, Callahan, and Nicholson.

Both of these teams entered the state meet in Macon. M. B. Wheeler and Billie Wickliffe won first place in the boys' and girls' singles respectively. This is the second consecutive year M. B. has won the state championship.
